DETAILED ACTION

Remarks

This Office action is responsive to applicant's supplemental after-Final amendment filed on June 20, 2006.

The amendment to claims 5 and 7 have been entered.

Allowable Subject Matter

Claims 1-4 are allowed for the reasons set forth in the prior Office action.

Claims 5 and 7 are allowed. The following is an examiner's statement of reasons for allowance: the prior art of record does not teach or suggest the instant invention regarding a gas manifold or insulator panel comprised of either a VIP or GFP, as defined in applicant's specification. Essentially therefore, claims 5 and 7 are allowed for the same reasons set forth in the prior Office action for claims 1-4.

Claims 6 and 8, which were indicated as provisionally allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims, are allowed by virtue of dependency from allowed claims 5 and 7.
